**May 15: Fifth Sunday of Easter**

**~SPECIAL COLLECTIONS~**

The special collection today is for Catholic Communications. Since May has five Sundays this year, there will be a second collection on the fifth Sunday, **May 29**, for BUURR (Bereans United for Utility and Rent Relief), which also funds the Berea Food Bank.

**ST. CLARE SYNOD SESSION TODAY!**

Our parish-level synod listening session at St. Clare is **today, Sunday, May 15**, beginning at **2:30 p.m.** and ending by 3:45. Augustinian priest Father Robert Deuwecke, OSA, who is assisting our diocese as the synod facilitator, will be here with us this afternoon. The session will be bilingual. Drinks and light snacks will be provided.

**Please plan to attend...** hopefully everyone received pertinent materials in an email sent to parishioners on May 12. Let's have a good turnout as we think, discuss, and send our thoughts on to Rome about the future and the possibilities we see for our diocese to engage the world and spread the Gospel.

**PRAYERS REQUESTED...**

Please pray in Christian charity for the priests of the diocese who will gather together for the first time in three years for a Convocation at St Meinrad Archabbey in Indiana this week, May 16- 20. Father Simpson will be attending this Convocation, so there will be no weekday masses in our parish this week.

Also please pray for all those about to be ordained in the coming months, especially the Rev. Mister Ben Horn, who will be ordained a priest of God on Saturday, May 21st at the Cathedral of Christ the King to serve the diocese of Lexington.

**St. Clare Catholic Church Receives 2022 Best of Berea Award**

St. Clare Catholic Church has been selected for the 2022 Best of Berea Award in the Places of Worship category by the Berea Award Program. Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Berea Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Berea Award Program and data provided by third parties.
